Deepam has established itself as a leading dance academy in Oman, with more than 25 years of experience in providing exceptional training in the field of Odissi for both kids and adults.

We are thrilled to announce the second edition of our dance camp for children aged 5 to 10 years.

The Happy Feet Dance Camp is a two-day event that offers your little ones a unique opportunity to explore the world of dance from a fresh perspective.

Our intention is to expose them to the boundless potential of expression and storytelling through dance via dance-themed movies, stories, crafts, and games.

Our primary objective for this dance camp is to introduce our young dancers to various dance styles from around the world, while emphasizing the significance of art in our lives.
